

# Lynx Men's Soccer Identification Camp

On the campus of Lindenwood University-Belleville

The Lynx Soccer ID Camp is for prospective players who are interested in playing at the collegiate level. This camp is open to players who competitively play at the club, ODP, and/or high school levels. The elements of the camp will include instruction from Head Coach Dan Hogan and staff for a skill session, along with a goal keeper skills session and scrimmage play. Groups will be determined based on a mixture of age and ability, allowing players to be successful and competitive. Parents are encouraged to come watch.
